NORTHERN GROWN GLADIOLUS

PRICES ARE QUOTED FOR SPRING OF 1947 ONLY

I wish to thank our customers for their patronage the past season and for the many nice letters telling of the fine blooms grown from our bulbs. Some of you have been steady customers for 10 to 15 years.

Last spring we had to return many orders due to a short stock of bulbs but for this season we have again grown a nice crop and have several times more bulbs on hand. However, stock of a few varieties and sizes is rather limited and will be sold out early. ORDER EARLY to be sure of varieties and sizes you desire.

PREPAID DELIVERY will be made beginning the first part of April-when safe from frost. Acknowledgment of order is made by card, also a card is sent the day before the bulbs are shipped. Up to date cultural directions sent with all orders.

STANDARD SIZES AND GRADING used in the bulb trade are as follows:-

LARGE bulbs are #1 and #2 (#1 is  $1\frac{1}{2}$  inches and over, #2 is  $1\frac{1}{4}$  in. and over)

MEDIUM bulbs are #3 and #4 (#3 is 1 inch to  $1\frac{1}{4}$  in. #4 is  $\frac{3}{4}$  in. to 1 inch.)

SMALL bulbs are #5 and #6 (#5 is  $\frac{1}{2}$  in. to  $\frac{3}{4}$  inch, #6 is under  $\frac{1}{2}$  inch)

We ship #1 and #2 for large, and ALL 3# for medium, so our medium bulbs will average much larger than most growers ship as medium. Most of our old customers buy the medium size and find them satisfactory - and save some money. Our own planting is almost entirely #5, #6 and bulblets.

CASH WITH ORDER PLEASE. ALL ORDERS OF \$2.00 OR OVER ARE SENT POST PAID.

WE DO NOT SUBSTITUTE VARIETIES WITHOUT PERMISSION. A second choice or permission to send another size is advisable if order is sent late in the season.

5 bulbs may be ordered at  $\frac{1}{2}$  the price of 10; Where a variety is listed at 2 for .10¢ or 2 for .15¢ please do not order a smaller number than the item is quoted at, as items less than .10¢ can only be filled at a loss.
